Soloists are encouraged to attend at least 2 classes per week. Taking all 3 classes per week is also an option.	Ballet, Pointe & Tumbling Recital Routines Ballet, Pointe & Tumbling routines for recital will be scheduled for choreography. More details will be available in Spring 2027. Participation in these routines is included in the monthly tuition cost. There will be a costume fee for these routines as usual. Tumbling Tumbling classes for level 2, 3, 4, 5 this season will be done based on skills instead of age. Our instructors would like to try this format this season to determine if they feel it is more useful than doing classes by age/level.	Tuition Note Tuition costs listed above include all required classes plus any optional classes the dancer would like to take from the optional column. This tuition cost also includes all group rehearsal times and extra rehearsals scheduled. Our wish for our dancers is that they are able to train in as many styles as possible and take as many classes offered for their age as possible.
