TDA Recital 2024: "Friendship"

When: Thursday, June 13th at 7:00 pm (Recital A), Friday, June 14th at 7:00 pm (Recital B), Saturday, June 15th at 1:00 pm (Recital A), Saturday, June 15th at 6:00 pm (Recital B) – Doors open one hour prior to the show for ticketholders

Where: Norwalk High School Performing Arts Center – 1201 North Avenue, Norwalk, IA 50211
Enter the facility through the East View Entrance (East side of the building adjacent to E 17th Street)

CHECKING IN:

Please enter through the East View Entrance. Once you arrive, find the check-in tables located on the East side of the cafeteria. Check-in times are detailed on the recital week rehearsal schedule in your recital handbook. Please be patient as there will be a lot of families checking in at the same time. TDA volunteers will do their best to move the check-in process along but please plan accordingly. All dancers will need to check-in to get their wristband. One parent will need to wear the matching wristband with their dancer's info on it. These wristbands must be worn at all times (even on stage). Parent wristbands will be used to identify you when entering the dressing room and when picking up your child after their performance(s). Wristbands must be kept for all shows your dancer performs in.

IN THE DRESSING ROOM:

If you'd like to volunteer to help with your dancer and assist other dancers in the dressing room, please sign-up using the google form link sent out via email. We need LOTS of volunteers! The bonus... if you've volunteered you get to go backstage with your child's class to see their performance up close! We need at least 2 volunteers per class per show! If you have not volunteered to help, you may enter the dressing room with your dancer after checking in to get them ready for their first dance. After they are settled in, you may go to the audience to take your seat. If your dancer has more than one routine, please be sure to come back after their first performance to get them changed and ready for their next dance. Volunteers will take them to and from the stage for their performance. No parents without a wristband will be allowed in the dressing room. **NO BOYS/MEN ARE ALLOWED TO ENTER THE GIRLS DRESSING ROOMS**

CHECKING OUT:

When your dancer is completely done performing, please wait approximately 5 performances before coming to pick them up from the dressing room. This gives our volunteers and staff time to get the dancers back to the dressing room. When you arrive back at the dressing room, please present your wristband to the volunteer along with your dancer's matching wristband and you may then check out. At this time, you may return to your seat to enjoy the rest of the show, or you may leave if you choose. Please be sure to pick up your dancer promptly. Also, make sure you keep your wristbands on for any other shows your dancer may perform in.

BETWEEN ROUTINES:

If your dancer has a long wait between their routines, they may be picked up using your parent wristband to watch the show in the audience. Please note that it is your responsibility to be sure your dancer gets back to the dressing room in time to line up and go to the stage for their routine. Our dressing room volunteers and staff will not go into the audience to look for dancers. Be sure your dancer is back to their dressing room at least 10 acts prior to their performance.

SHOWS:

Please be sure you know which shows your dancer performs in. Every dancer will be in at least 2 shows and some will perform in all 4 shows.

COSTUME ORGANIZATION:

Please be sure your dancer's costume(s) and accessories are labeled inconspicuously with their name and they have the correct shoes and tights. Costumes should be transported in a garment bag on a hanger to be sure they are clean and wrinkle-free. We recommend a zip-lock bag over the hanger to include any accessories or shoes. Label everything! Dancers should be completely ready for their first routine when they arrive and should only bring their change of costume and shoes and any necessities.

TICKETS:

Tickets will be required to enter the theatre. We divide the total number of seats by all our TDA families. Tickets are free! If you have extra tickets please turn them in to the front desk and there we will distribute these extra tickets to any families who require additional tickets.

LIVE STREAM:

Shows will be live-streamed for family members who can't attend or would like to stay home and watch from there.

Other Important Notes:

1. No parents are allowed in the backstage area
2. **Absolutely no food or drink is allowed in the theatre**
3. No food or drink besides water & non-messy snacks while in costume
4. No photography or videography is allowed during the show – you may take photos and videos at dress rehearsals and you also get a free download of the show video
5. Please keep conversations to a minimum during the show
6. Please only enter and exit the audience between routines
7. Do not get up and walk around while a routine is performing on stage
8. Tickets are required to enter the theatre, doors open one hour prior to the show
9. Saving seats is not allowed – each ticketholder is allowed one seat
10. Non-ticketholders will be allowed to enter the theatre 10 minutes before the show begins IF there are seats available

PLEASE REMEMBER:

Your dancer has worked so hard to be able to perform for you! Enjoy this time with your dancer! Cheer loud! Make memories! Be proud! Have fun and be sure to tell them how amazing they are! That's what it's all about!
